## Approval

DEMKO hereby grants approval of the following equipment:

Product category	:	Switches for incorporation in lighting fittings, appliances etc.
Manufacturer	:	Pronic Electornic Co. Ltd., Taiwan
Name/trademark (if any)	:	Pronic
Model/type ref.	:	L16
Rated current or wattage	:	10(1) A
Rated voltage	:	250 V AC
Class of insulation	:	II
Additional information	:	Pattern No. 6, normal gap, T85, 1E4 cycles, category D, PTI 250
Testing Standard/s	:	EN 60058-1
Approval basis	:	Nordic Certification Service NEMKO certificate No. P95103433 of 1995-10-04.

DEMKO has found the equipment to be in conformity with the above mentioned standard/s and it may be provided with the registered approval mark .

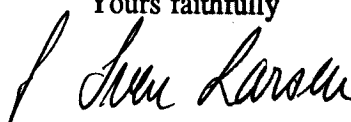

We draw your attention to the fact that this approval only applies to equipment of exactly the same construction as the approved product type.

If alterations of the equipment are made, including the marking, DEMKO has to be informed about this in writing.

The certificate is valid until 2005-10-01.

Costs dealing with this matter will appear from the invoice.

Yours faithfully

Erik Fristrøm, DEMKO
