**Model/type** L21 Series

**Data** 10(1)A 250V

**Trade mark** PRONIC

**Other specification** Slide switch for incorporation in appliances, circuit type 3.5, T85/55, micro-disconnection, 1E4 cycles, Class II, PTI 175, overvoltage category II, pollution degree 2, solder terminals. IP20.

The above product is certified according to the following standard(s) Safety std.: EN 61058-1:2002

**Validity** This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.  
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

**Additional Information:** This Certificate replaces our Nemko-Certificate No. L 92106, dated 1993-11-20, due to new standard.

Date of issue 08 February 2005
